

A Christian Ministry

Habitat for Humanity International is a nonprofit, ecumenical Christian organization dedicated to eliminating substandard housing and homelessness worldwide and to making adequate, affordable shelter a matter of conscience and action. Habitat is founded on the conviction that every man, woman and child should have a simple, decent, affordable place to live in dignity and safety. Partnering with families, volunteers, donors, sponsors & friends, Habitat helps provide decent affordable housing.

Doreen and four others from her church traveled to Bay St. Louis, Mississippi the week of October 19, 2008 to help in the construction of houses for families whose homes were destroyed by hurricane Katrina. Since Katrina's destruction, Bay-Waveland Habitat for Humanity has constructed more than 80 homes in Hancock County, Mississippi. To date, Habitat for Humanity has built more than 300,000 houses world-wide.

Can you imagine Doreen framing a house - operating a power saw - hammering nails - putting up siding?

Back home - rehearsing for and giving a report to the church congregation
